### **INTRODUCTION:**

The Times of India Group is India's largest and oldest media entity, with a 180-years legacy of trust, knowledge and public service. Driven by the larger aim of enhancing India's higher education infrastructure, and building on our rich legacy, the Group has set up Bennett University, in Greater Noida. The University will provide its students a premium learning experience supported by research-driven faculty and a well-rounded industry-centric curriculum, preparing them to compete and prosper in a rapidly transforming world.

The University has been established under the Bennett University, Greater Noida, Uttar Pradesh Act, 2016 (U.P. Act No. 24 of 2016). The same has been gazette notified by the Government of Uttar Pradesh Vide No 1042/79-V-1-16-1(Ka) 25-2016 Dated 16 Sep 2016. It admitted its first batch of students in B.Tech., MBA and Ph.D. programs in 2016.

Bennett University is located in Greater Noida, less than an hour's drive from South Delhi. Designed by the renowned Singapore-based RSP Architects, Bennett University's sprawling campus is visualized as a modern, user-centric, functional space, enabling an immersive and comprehensive learning experience. The campus boasts of best in class academic infrastructure, residential facilities and state of art sport facility including indoor badminton courts, basketball courts and swimming pool.

What differentiates the Bennett University is its Academic Philosophy, which is built around four key dimensions: -

- High Calibre National and International, all Ph.D., Faculty.
- Industry-Centric Curriculum
- Entrepreneurial Thinking
- Life and Career Ready Students

### **WHY BA (JOURNALISM & MASS COMMUNICATION) AT BENNETT:**

Times School of Media's programs are developed in conjunction with the Times Group, India's largest media conglomerate. The objective is to prepare students to excel both in traditional media as well as the new and emerging forms of media. The School's programs place special emphasis on academic rigour and on imparting skills required to succeed in today's highly

competitive, and rapidly changing, media environment. The BA(JMC) is a skill-based, industry-relevant, and research-led program geared to produce the next generation of media professionals. Students learn in a simulated environment to produce newspapers, create radio broadcasts, prepare TV news bulletins, run public relations campaigns, make video films, set up blogs, and work on social media platforms, under philosophy of - Be ready to challenge and be challenged- in new ways of thinking and expression.

Gaining skill-based media education, students will become ready to work across industries, government organizations, and media houses in roles involving print journalism, television, radio, digital content management, social media, advertising, public relations, event management, communication, film studies, and digital photography.
